

**FIFTH GRADE BAND DEBUT CONCERT**  
*PLEASE RETURN THE BOTTOM HALF OF THIS FORM*

The Fifth Grade Band will have their debut performance on Monday, February 13, 2012.

The concert is in the Spring Lake High School Auditorium at 7:00pm. Your child should arrive at 6:45pm and meet in the high school band room.

Your child should dress up to the best of their ability...please no jeans or shirts with writing on them. Collars for the boys would be nice.

After the fifth grade performs, the high school band will perform for no more than 25 minutes. We would ask that you stay for the rest of the concert as it's great for the fifth graders to be inspired and it doesn't seem right for a lot of people to walk out in the middle of the concert. Your children should put their instruments away and join you in the auditorium.

Practice is essential for them to sound their best and support the others in the band – please make sure they've prepared all the pieces at home as soon as possible.

We will be performing:

**Sheet Music**

**Conquest**

**Star Wars**

**America March**

**Book Tunes**

A "Rock" Nophobia

Ode to Joy

"Jaws"

Chitty, Chitty Bang Bang

I have received this information and have everything on the calendar. I will make sure my child practices their music, arrives on time and is dressed appropriately.
